Mississippi Election.

Washington, D. C., Dec. 15.—The indications that the defeated Greenback candidates in Mississippi really propose to contest the election and perhaps attempt to gain possession of the State government, are multiplying. Their committee appointed last evening to wait upon the President further, will probably do so to-day or to-morrow. The Democratic Post of this city, discussing their proposed call upon the President for support, says there is no reason to believe he will imitate Grant by the use of Federal bayonets in the South. The report that Speaker Keifer will announce the committee to-morrow is untrue.

Capital Gossip.

Washington, Dec. 15.—It is the general belief that the verdict in the Cadet Whittaker court martial was unfavorable to him and recommended his dismissal from the academy, but that the review of the proceedings by the judge advocate general and report thereon by the secretary of war will result in the President setting aside the findings of the court and ordering the reinstatement of Whittaker.

Train Robbery.

El Paso, N. M., Dec. 14.—The Southern Pacific passenger train, west from here, at 1 o'clock this morning was taken in by rustlers a few miles from town. A Wells Fargo messenger was gaged and the keys forced away from him. The safe was robbed of \$1,200. The passengers lost about \$600. The rustlers controlling the brakes jumped the train and escaped.

Captured.

St. Louis, Dec. 15.—A San Antonio, Texas, special says news has been received from Presidio del Norte on the Northern Rio Grande, that Chief Arragati and thirty of his tribe have been captured by Mexican troops. These are the main remnant of Victorio's desperate band.

OLD PILL BOXES—Thousands of these have been emptied by suffering humanity. And what a mass of sickening, disgusting medicine the poor stomach has had to contend with! Too much strong medicine. A pleasant medicine is now taking the place of all these pills, which cures headache and is the very thing you need. It is known as Bailey's Saline Aperient.

PILES! PILES! PILES!

A sure cure found at last! No one need suffer! A sure cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William (an Indian remedy,) called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electrocures do more harm than good. William's Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) as a poultice, gives instant and painless relief and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry of Cleveland says about Dr. William's Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.
